National Disaster Recovery Framework
STRENGTHENING DISASTER RECOVERY FOR THE NATION

The NDRF is NOT a Plan

The Framework is a Scalable, Flexible Guide to Effective Recovery

- Defines roles and responsibilities
- Promotes the establishment of post-disaster organizations to manage recovery
- Promotes a deliberate and transparent process that provides well-coordinated support to the Community
- Offers strong, focused recovery leadership at the State and Tribal level, supported by strong Federal recovery leadership

4

Core Principles

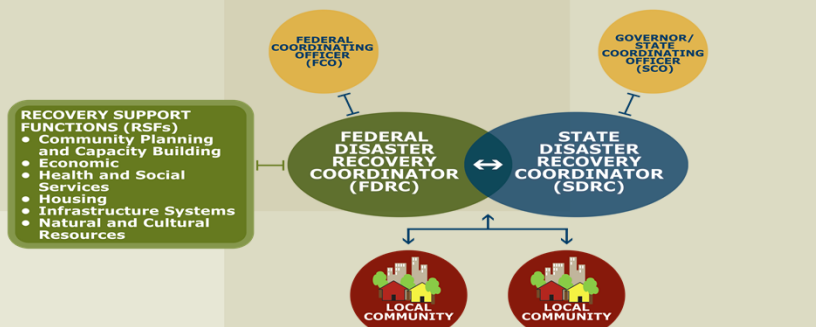

- Individual and Family Empowerment
- Leadership and Local Primacy
- Pre-Disaster Recovery Planning

RSF Engagement in the Field

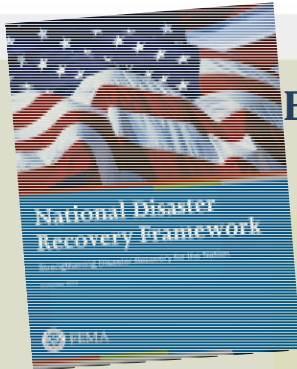

The Process Continues...

The citizens of these towns took the devastation and loss of their communities as an opportunity to “re-think”, “re-design”, & “re-plan” their towns, re-building greener, more resilient, with a greater concentration on the “Whole Community”!
